

NEW 2025

REDLIGHT-ST® 2 IN 1 COLOR CORRECTING INTENSIFIER + PEPTIDE COLLAGEN PRO

SUNEVOLUTIONS™
Tanning Skincare Evolved

All in One - for Premium Light Therapy & Tanning

Elevate your tan with this dynamic pH balanced powerhouse combining the benefits of advanced Light Therapy Skincare with cutting-edge tanning technology to deliver unparalleled results. Our formula is infused with CoQ10, Hyaluronate Acid, and a potent blend of Vitamins B5, B3, C, and E to deeply nourish and help rejuvenate skin for a radiant, luminous complexion. The proprietary Light Therapy Blend features antioxidant rich Ferulic Acid and Tri-Peptide amino acids to help reduce signs of aging such as fine lines and wrinkles, boosts collagen, and improves skin elasticity. So level up and maximize the benefits of light!

Featured Ingredients

Red Light
Peptide Pro

Coconut
Oil

Shea
Butter

Yeast
Extract

Tanning Benefits

- **Tan Maximizers:** Enhances Melanin production during UV exposure for darker tanning results in a shorter period of time.
- **Tyrosine:** Amino Acid that helps to increase melanin production to enhance the body's natural tanning process for a more effective tan.

Red Light Peptide Pro Blend

- **Ferulic Acid:** This plant-based antioxidant is known for its anti-aging properties. Ferulic Acid fights free radicals while boosting the effectiveness of other antioxidants such as Vitamin C and E protecting overall skin integrity.
- **Tri-Peptide Blend:** Composed of three Amino Acids, these are the building blocks of protein and play a crucial role in skin care. They help to hydrate the skin, promote cellular repair, and stimulate collagen production for more youthful looking skin.
- **Hyaluronic Acid:** Good water-binding agent helps provide defense against water loss in skin. Its anti-aging properties stimulate collagen production and boosts skin elasticity.
- **Coenzyme Q10:** Ubiquinone is an anti-aging superstar that minimizes the appearance of fine lines and wrinkles, inflammation, and sun damage by stimulating collagen and elastin production to even out skin tone and boost your skin's natural glow.
- **Coenzyme A:** CoA plays a vital role for activating fatty acids and the synthesis of lipids in the skin.
- **L-Carnitine:** Enhances skin's barrier function, supports moisture retention, and conditions skin leaving it feeling soft and hydrated.

Skin Care Benefits

- **Aloe Vera:** An extract from the leaves of the Aloe Barbadensis plant known to have healing and soothing properties. It also helps condition, rejuvenate and restore moisture balance to the skin.
- **Shea Butter:** Shea Butter is packed with vitamins and nutrients that are good for your skin. It relieves dry skin, calms inflammation, and provides excellent anti-aging benefits.
- **Vitamin B5/C/E:** Our Vitamin blend is packed with antioxidants that shield skin from free radicals and stimulates collagen synthesis. Panthenol or Pantothenic Acid is an essential nutrient for healthy skin that is a humectant to hydrate and retain moisture in the skin. Ascorbic Acid helps to brighten, soothe damaged skin, and reduces the appearance of fine line and wrinkles. And Tocopheryl Acetate helps protect against sun damage, conditions skin and maintains skin's natural moisture barrier.
- **Caffeine:** Helps reduce puffiness and the appearance of fine lines and wrinkles.
- **Coconut Oil:** Extracted from the flesh of the Coconut. Hydrates, conditions and helps protect the skin. Anti-Aging properties and helps prolong the life of a tan.
- **Yeast Extract:** This humectant helps the skin retain moisture for a healthy, hydrated finish. It is rich in Beta-Glucans to fight free radicals and supports collagen synthesis to enhance skin firmness and elasticity. Similar benefits to Collagen, but is Vegan.
- **Witch Hazel Extract:** Hamamelis Virginiana is a versatile ingredient that has anti-inflammatory properties to soothe irritated skin.

Fragrance: Calming Chamomile with notes of Blue Chamomile, Linen Blossom and Floral.
