### *How it works...*

#### Loyalty Reward

We at Heartland appreciate our customers so much. We would like to reward those who support Heartland. Ordering in more than one place? Help your business and give your business to those that give back.

#### Case Reward

If every line item on your order is a full case count, you earn an additional 1% rebate on the order. Time is money and this increases the efficiency of the shipping operation when orders are pulled in full case lots, so we reward YOU.

#### Heartlink Reward

Not only is 24/7 online access convenient, now you could earn an additional 1% by just placing your orders online. Nothing changes in our relationship, you still have a designated business support representative to oversee all your accounts needs Monday – Friday 8-5:00, this just gives YOU more opportunity to EARN.

#### Why Rave Rewards

Lamp changes are crucial to keep YOUR customers happy and Heartland has always recommended two lamp changes per year. Unfortunately, we know that sometimes when it comes down to it, lamps can be a heavy purchase and are sacrificed for other areas of the business. Let US help you SAVE by building up these rebates so when it comes time, it is waiting for you, just by ordering with Heartland.

I understand that these rewards are earned, based on purchases from Heartland Tanning. These rewards are processed June 30 and December 31, and the rebate is in the form of a credit to be used towards lamp purchases. Rebates are to be used within 45 days of the issue date. Rebates are non-transferrable and may not be used on items other than lamps from Heartland Tanning. All rewards are calculated during a specific time and the assigned business support rep will advise of the totals and the dates that rebates are needed to be used by.
