### Photos of Joy

The photos captured during this short week are ones of love, joy and laughter. Mr. Marty was not with us for the holiday party, so he was able to open his Christmas present on Thursday. He was overjoyed at the thoughtfulness of his gift from our Undy elves. The love of friends is important to our Guests and it is illuminated in the middle photo of Miss Debbie and Miss Jennifer. Mr. Tom is always willing to have fun and bring laughter to the group. He enjoyed celebrating the new year just a few days early. The party hat is a Mr. Tom original. As 2018 winds to a close, we are anticipating another year filled with love, joy and laughter at Joy's House.

### A bit of humor

On New Year's Eve, Bill was in no shape to drive having had a few too many, so he sensibly left his car in the car park and walked home. As he was wobbling along, he was stopped by a cop. "What are you doing out here at four o'clock in the morning?" asked the "I'm on my way to a lecture," answered Bill. "And who in their right mind is going to give a lecture at this time on New Year's Eve?" asked the cop sarcastically. "My wife," slurred Bill grimly.
