Caregivers

The start of every year gives us a chance to plan for the people we serve. At Joy's House, we don't just serve the Guests but we also serve the caregivers. Our Caregiver Support Services has a multitude of planned activities and events designed for 2019. These include but are not limited to: the launch of our CARE program, A Day Away, caregiver support groups, one on one support, caregiver night outs, and Caregiver Crossing on WIBC.

If you are interested in any or all of these opportunities, please check out the flyers on the front desk, call our Broad Ripple location at 317-254-0828 or email Candace Preston at candance@joyshouse.org

A bit of humor

Percy walks into the MGM Grand in Las Vegas and he is flabbergasted to see two dogs sitting at a poker table playing Texas hold-em with three men.

'Can those dogs really read cards?' Percy splutters.

'Yeah, but they ain't very good gamblers,' replies one of the players. 'Whenever one gets a good hand he wags his tail.'

Highlights of the week of

Monday: Soup was the topic of the day. We read the story stone soup and discussed the types of soup.

Tuesday: Joy's House University discussed gardening, the Guests made birdhouses out of cardboard tubes and peanut butter and there was a lively discussion during a game of would you rather

Wednesday: Bingo, laundry basketball, team trivia and twiddling our thumbs were on the agenda for the day

Thursday: Creative expressions, celebrating Betty White's birthday and discussing strong women are just a few highlights of the day

Friday: 25 inventions that changed our world, ribbon dancing, creative expressions and a game of hot potato helped us bring our week to a close
