OTHER PROJECTS

SMILE BY CHLOÉ CAILLET

In 2023, Chloé debuted the first iterations of her free-spirited event concept series and forthcoming label SMILE in Barcelona and London. The culmination of Chloé's extensive experience in nightlife coupled with her identity as a queer artist and advocate for fellow creatives, SMILE embodies her vision of a truly communal space that harnesses the unifying power of music. A queer artist Distilling the raw, interrupted energy of rave culture into a single night that celebrates diversity and the purest love for dance music, SMILE is a community that champions not only music and artists that Chloé personally advocates for, but also fosters an environment where the dance floor dissolves all barriers. No VIP, no tables, just the dance floor and a space to be your authentic self.

XTRA

@xtratheparty is a collective Chloé cofounded with @ana_sting @alexmoli @alexnikolovnbased in Ibiza. They have participated in Mexico during Zona Maco and Paris Fashion Week. They are now back to the island for a second season curating the funky room at Pacha Ibiza focusing on bringing predominantly queer and PO Cartists to the island.
