"... A MIX OF HOUSE AND ELECTRONIC MUSIC WITH A DASH OF DREAM POP, DREAMSCAPES IS AT ONCE EUPHORIC AND MELANCHOLY..."

- ROLLING STONE

"SOUNDING AS HYPNOTIC AND ETHEREAL AS ITS NAME SUGGESTS. THE PAIR MAINTAIN A DEPTH AND DELICACY THROUGHOUT... ALTOGETHER IT'S A SLEEK, SOPHISTICATED, NO-SKIPS EFFORT"

DREAMSCAPES LIVE

Since mesmerising fans with their Found In The Wild: Live film and seminal Cercle set from Skyway, Monte Bianco, Eli & Fur brought their live performance experience to fans for the first time beyond the screen in 2024, with their first ever ticketed live shows. Three exclusive dates in London, Los Angeles and New York, each breathing a new dimension of life into their new Dreamscapes album through live vocals and instrumentation alongside performing beloved classics from their back catalogue. Visually and sonically captivating, the performances were an immersive journey through Eli & Fur's 'dreamscape'.

ESTABLISHED

Platonic soulmates intertwined by a shared sonic vision, Eli & Fur are far more than just a DJ duo. Individually, their talents are akin to constellations - vivid, distinct and mesmerizing. Together, they are an unstoppable force unapologetically pushing the boundaries of electronic music through a deeply personal lens.

Since emerging on the scene in 2013, Eli & Fur have established themselves as one of the music industry's most in-demand acts with unprecedented fervor. Their impressive discography includes collaborations with heavyweights such as Camelphat, MEDUZA and Booka Shade alongside remixes for the likes of Sasha, Bob Moses, ODESZA and Shouse, and earning ardent support from industry authorities such as Boiler Room, Cercle, BBC Radio 1's Essential Mix, Billboard, Rolling Stone, GRAMMY, Mixmag and DJ Mag.
