

ALL ARTWORK, SOCIAL COPY AND ADS NEED TO BE APPROVED BY AGENCY OR MANAGEMENT PRIOR TO PUBLISHING ONLINE.

We kindly ask you to reduce the use of single use plastics. Please avoid using plastic straws, bottles, and cups in the DJ booth. If you find this important like all of us DJs do, call the Bye Bye Plastic hotline to explore plastic alternative solutions for your entire event or venue. This is a project that has been created to help everyone. They have already done all the homework for you. Hotline contact: change@byebyeplastic.life.
