THE OCEANIC STANDARD Blue Rider

PLEASE SEE THE BELOW ADDITIONS TO MY RIDER.

I have chosen to support the **elimination of single-use plastic** through Oceanic Global's TOS: Blue Rider Program for human and environmental health.

WHAT

**Eliminate the following single-use plastic items
and use TOS-approved sustainable alternatives**

- Straws
- Waxed Coasters
- Coffee Cups & Lids
- Plates & Bowls
- Cups
- Drink Stoppers
- Stirrers
- Utensils
- Water Bottles
- Bags
- Food Containers

WHERE

BACKSTAGE, GREEN ROOM, STAGE, DJ BOOTH

HOW

THE OCEANIC STANDARD

The Oceanic Standard (TOS), is a set of free industry-specific guides for adopting sustainable operating practices that meet both business and environmental needs.

Find TOS-approved sustainable recommendations to traditionally used single-use plastic items here:
<https://oceanic.global/oceanic-standard/>

If you are interested in learning more about how your venue can be recognized as Plastic-Free, please contact
theoceanicstandard@oceanic.global

For any inquiries regarding this rider, please email
Zak Day at zak@oceanic.global

**Thank you for helping us set a new industry standard
around responsible consumption!**
