

# MACEO PLEX

With a career that Mixmag describes as “the stuff of legend,” Maceo Plex’s path to the top of the underground dance music scene has been nothing short of a musicians mythical journey.

From his expansive catalog of Techno heaters to IDM thinkers, his music has span across genres and redefined the dance music artist. He once held the number 1 spot in three different genres on the Beatport charts all at the same time, putting him in distinctive a league of his own, whilst arguably being responsible for spearheading two of the said genres on the same platform.

Having remixed and produced for the likes of New Order, Faithless, Royksopp, Perry Farrel (Jane’s Addiction), Coldcut, Florence Bird (Florence and the Machine), Chromatics and Maribou State to name a few the highly acclaimed producer has also released countless hit records on Ministry of Sound, Crosstown Rebels, Drumcode, Cocoon, KOMPAKT and his own Ellum Audio imprint.

Maceo Plex will be releasing his 3rd artist album in 2023 featuring Oscar and The Wolf, Kirsty Hawkshaw, Perry Farrel, Cubicolor, and Desire from Chromatics amongst other new talents on his Lone Romantic imprint.

Maceo Plex has an online audience of 2,500,000 across all social media / music websites.
