

# Val Fleury

**ABOUT:** Val Fleury is a DJ/Producer, Liberian-born and USA based, who has earned acclaim from AfroPunk to NYLON for her energetic performances and globally resonant Afrowarehouse sound that fuses House and Techno with her African roots. Passionate about showcasing under-represented and international talent, she adds an extra layer of inclusivity and depth to her sets.

Val's musical catalog has amassed 500K+ streams on Spotify. In 2024, Val is set to release 5 singles. The first, "Statues," earned nods on editorial playlists from Amazon Music, Apple Music and Spotify, along with Val featured as the Fresh Finds Dance Artist of the Month. Her second single, "PST," preceded her highly anticipated performance at Coachella 2024.

Val's performances span 10 countries and 7 continents, captivating audiences at Sydney nightclubs, Berlin raves, Shanghai fashion events, New Delhi radio shows, polar parties in Antarctica, and renowned festivals like SXSW, Roots Picnic, and Miami Music Week.
