DATE: September 2024

Website: <https://linktr.ee/joplynberlin>

BIO

GENERAL INFO:

JOPLYN is a young, **singing electronic live act** from **Berlin** creating her own, unique **melodic techno** music, where she also blends in “**2000s**” Style **Electro**, **House** & eclectic **Electronica**. She **writes** and **produces** her **own music** and uses only her **original songs** for her performance.

She has already collaborated with/has been remixed by electronic heavyweights such as **Booka Shade**, **Damian Lazarus**, **MK**, **Jan Blomqvist**, **Einmusik**, **Rodriguez Jr.**, **HOSH**, **Adana Twins**, **8Kay** etc. and released on labels such as

Blaufield Music, Watergate Records, Crosstown Rebels, Mobilee, Get Physical, None Of The Above Berlin etc.

Pete Tong named **JOPLYN** “**BBC Radio 1’s Future Star of 2022**”.

JOPLYN has also been described as “**the singing Techno DJ from Berlin with the 2 dots..**”

BRAND PARTNERSHIPS & COLLABORATIONS:

Additionally, **JOPLYN** is the **German ambassador for the Spotify EQUAL campaign**. Among other things, EQUAL showcases specific female artists, including her, with a billboard feature on Times Square, see here:

https://www.instagram.com/p/Cd0mSuUgXB6/?utm_source=ig_web_copy_link

and has given various **workshops and keynote speeches for Ableton, Beatport, Spotify, IMS, ADE**etc.

In February 2023 **JOPLYN** was invited by **Pioneer DJ USA** and **MixMag** to introduce the brand new **DJM-A9 mixer** which was promoted with a special performance by her at a stunning VR studio in Los Angeles. **Watch here:**

MUSIC RELEASES:

JOPLYN released her third album **SILVERLAKE 03** end of 2023, which she recorded mainly in **Los Angeles**, thus the name. She constantly **road-tests** new

material with different **audiences internationally** to keep her productions up to par with the **international club scene** she is a part of.

She is currently **working on her new album** between her studio in **Berlin** and also on the road. The new music will be a next step and further **development and testament** to her own **unique “JOPLYN sound”**, blending **melodic Techno, House and Electronica** into a **club-ready, high-energy** and **hyper-emotional sonic experience...**

JOPLYN currently boasts about **200k Monthly Listeners on Spotify** with about **20M combined streams** and around **16k organic followers on IG**.

LIVE SHOWS:

JOPLYN has played **over 120 shows internationally** and was invited to share the stage with headliners such as: **Rüfüs Du Sol, Monolink, Adriatique, Booka Shade, Innellea** and **Jan Blomqvist**. She has also held **Ibiza residencies** at **Hï Club Ibiza** (Black Coffee/Damian Lazarus) and **Cova Santa** (WooMoon Ibiza).

In April 2024, JOPLYN was invited to play at the **legendary COACHELLA festival** in California on the official **YUMA Tent** line up alongside **artists** such as: **Flight Facilities, Eli & Fur, Artbat, Blessed Madonna, Ame, Innellea, Gorgon City, Blondish** etc...

A definite **highlight** in her young career, **JOPLYN** was able to **mesmerize** her **COACHELLA audience** and make **new fans**, building her **network of friends and supporters** in the **US market**.

JOPLYN considers herself an “Electronic Live Act” and at her **dynamic live shows**, she **sings and plays the synths and vocoder**, while **flawlessly mixing loops** and creating **live-jams** on the spot.

She aims to build an **intense connection** with her **audience** through her live performance and **exclusively performs her own songs and productions** to tell an **emotional and powerful story...**
