

# COLDED CRAIG

COLORED CRAIG, ONCE ONE OF LA'S BEST KEPT SECRETS, IS NO SECRET ANYMORE. THE MIDWEST NATIVE PROUDLY WRECKS THE DECKS WITH ALL VINYL SETS — A COLLECTION HE AMASSED WHILE FREQUENTING PARTIES IN LA FOR YEARS TO HEAR SOME OF THE BEST DJ'S AROUND.

INSPIRED BY THE 90'S WAREHOUSE SCENE, CRAIG HAS MADE A NAME FOR HIMSELF AT SOME OF THE MOST COVETED CLUBS & FESTIVALS ACROSS THE US, UK AND EUROPE.

EDC Las Vegas, Public Records in NY, Berlin's Panorama Bar, Honcho Campout, Nowadays, Rinse FM and London's The Cause to name a few.

Colored Craig's name can be found on line-ups with acts such as Derrick Carter, Honey Dijon, Octave One, DJ Minx, Ash Lauryn, Mike Servito and more. A dream come true for the St. Louis son of a vinyl lover.

CC'S SIGNATURE STYLE IS CLASSIC & FUNKY HOUSE, AND POSSIBLY ONE OF THE MOST SWEAT-INDUCING SETS FOR THOSE WHO COME TO THE DANCEFLOOR FOR RELEASE.

Coming from a career as a professional Choreographer, Craig knows exactly what records to play to keep the crowd moving. And to those who don't dance and prefer a visual display of the music — look no further than the DJ booth. There you'll find Craig orchestrating the drums and making shapes while rocking the box to a seemingly endless stream of sonic surprises. What may appear to the audience as a pre-set performance is honestly just a lover of dance connecting to his favorite music.

“HE PLAYS CLASSIC HOUSE  
RECORDS WITH A VERVE  
AND STYLE THAT YOU  
CAN'T REALLY TEACH OR  
LEARN. YOU JUST HAVE TO  
HAVE IT.”
