

## EREZ Biography

Introducing EREZ — a mesmerising blend of chic artistry, sultry vocals, and cutting-edge production that commands attention. Born in NYC, shaped by Tel Aviv, and now taking over LA, EREZ weaves a global sound that seduces the senses and captivates hearts. With the exciting announcement of her Coachella debut next year, this powerhouse is only just getting started.

Whether she's igniting the dancefloor with her electrifying DJ sets or delivering spellbinding live performances, EREZ is the definition of mesmerizing. Seamlessly switching between instruments and effortlessly showcasing her vocals and production prowess, she's as at home in intimate venues as she is on the legendary stages of Brooklyn Mirage and iconic festivals like Outside Lands and Vortex Festival.

Her breakout hit, *Modern Dream*, from her debut album of the same name, took on a life of its own when it was featured in the beloved series *Queer As Folk*, cementing her ability to craft unforgettable music that resonates on a deep, emotional level.

But it's not just her music that captivates—EREZ is also the driving force behind the vibrant queer party and label, *In the Open*, a space where authenticity, freedom, and diversity reign supreme. With a spotlight on queer and female DJs, the party has become a hotspot for inclusivity and self-expression. In fact, EREZ's last *In the Open* event featured a surprise B2B set with none other than Dom Dolla and Tove Lo, making it an unforgettable night.

With every note she plays and every lyric she writes, EREZ invites you into her world—one filled with raw emotion, unfiltered honesty, and a whole lot of heart.
