

# CASE/POWER SUPPLY FAN REFERENCE GUIDE

Thank you for your purchase of this MANHATTAN® Case/Power Supply Fan. With an easily installed, high-quality ball-bearing design, it helps circulate cool air through the case to dissipate heat away from processors and components to reduce heat damage.

- 3-pin power connector for easy installation
- Ideal for new systems, upgrades and replacements
- Ball bearing delivers quiet, reliable operation
- ISO-certified; meets CE, RU, CSP, WEEE standards
- Lifetime Warranty
