

DisplayPort Coupler

DisplayPort Female / DisplayPort Female

Model
308298

Easily extend a DisplayPort installation.

The MANHATTAN® DisplayPort Coupler helps extend links between a DisplayPort source and display with an easy and quick solution that joins DisplayPort cables without complicated configuration or setup. Its active, all-in-one design helps achieve a compact, integrated solution that eliminates unnecessary cables, tangles and clutter to keep installations and workspaces neat and orderly.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

Model
308298
