

Elite Stereo Headset

Lets you pause music to converse

Part No.: **178044**

Refined styling delivers pure audio performance.

The ear cups of the Manhattan Elite Headset feature well-padded cushions to help buffer unpleasant sounds from the ear and enhance audio response. The wrapped headband provides a comfortable fit for any listener. The single 3.5mm connector will allow this headphone to be used with cellphones, tablets and ultrabooks, and the splitter cable can be connected when used with a standard computer that requires both an audio and microphone connection. There is also an in-line microphone is ideal for cellphones, VoIP communications and multimedia experiences.

Features:

- On-the-ear design provides comfort and enhances bass response
- Single 3.5 mm connector for cell phone, MP3 player or tablet use
- Adjustable headband and padded ear cushions provide secure, relaxed fit
- In-line microphone helps reduce distortion and improve voice transmission
- Convenient 3.5mm splitter cable
- Three-Year Warranty
