

## 2900 Hi-Fi Speaker System

3.5 mm, 2 Speakers

Part No.: **161695**

---

Maximize gaming, music and movie experiences with the Manhattan 2900 Hi-Fi Speaker System. Designed to complement modern computers, displays and peripherals, its robust front-firing ports draw listeners into the center of the action. Well-built, solid cabinets crafted from vibration-damping and sonically dense MDF help full bass resonate and wide frequency ranges for superb sound. This compact system makes an excellent computer speaker upgrade for use at home or the office.

### Features:

- Two-way speakers deliver rich, powerful sound — ideal for games, movies and music
- Solid cabinets help recreate a balanced, full-spectrum frequency response
- Shielded to prevent distortion and maintain clear, crisp sound
- Lifetime Warranty
