

PopCharge Auto

1-Port USB Type-A Car Charger, LED Power Indicator, Black

Part No.: [101714](#)

EAN-13: 0766623101714 | UPC: 766623101714

Turn your car's 12 V power socket into a USB power source.

The Manhattan PopCharge Auto is a charging adapter that uses your vehicle's auxiliary power port to charge USB-compatible devices while you're on the road. It features a single USB port that delivers power up to 5 V / 2.1 A to quickly charge a tablet, smartphone, digital camera, music player or other electronic device. A built-in surge protection system guards connected equipment from unexpected vehicle power fluctuations, and spring-loaded contacts ensure a good, reliable connection.

Features:

- Adapter for charging tablets, mobile phones and other portable devices
- Delivers power at 5 V / 2.1 A (10.5 W) to fast charge connected device
- Power LED to indicate charger's working status
- Fits most standard automotive power ports
- Built-in circuit and surge protection
- Features a single 5 V USB-A port
- Three-year warranty

Specifications:
