

PopCharge Auto Duo

Automotive USB Charger with 2 Ports

Part No.: **101721**

Converts a Cigarette Lighter Socket into a USB Power Source.

The Manhattan PopCharge Auto Duo is a charging adapter that uses a vehicle's auxiliary power port to keep USB devices charged and ready while on the road. It features two USB ports capable of charging tablets, smartphones, digital cameras, music players and more. A built-in surge protection system guards connected equipment from unexpected vehicle power fluctuations, and spring-loaded contacts to ensure a good, reliable connection.

Features:

- Adapter for charging tablets, mobile phones and other portable devices
- Fits most standard automotive power ports
- Built-in circuit and surge protection
- Three-Year Warranty
