

Freestyle Wireless Headphones

On-ear Wireless Headphones with Bluetooth 2.1 Technology and Rechargeable Internal Lithium Polymer Battery, Orange

Part No.: **178747**

The Manhattan Freestyle Wireless Headphones let you enjoy your favorite music without being constrained by cords. Weighing in at only four ounces (108 grams), these sleek, adjustable headphones rest comfortably on the head so you can enjoy hours of music from your smartphone, tablet, MP3 player, laptop computer or other Bluetooth-enabled device. Powerful neodymium drivers deliver surprisingly vivid, realistic sound quality, and a USB-rechargeable battery lasts up to eight hours on a single charge. Additionally, the Freestyle Wireless Headphones have a built-in microphone and integrated function keys so you can control your music (play, pause, track forward, track back and volume up/down) with the touch of a button.

Features:

- On-ear design with soft, padded ear cushions for maximum comfort
- Delivers high-quality wireless streaming from Bluetooth-enabled devices up to 30 ft. away
- Integrated on-ear controls allow you to easily adjust volume, play/skip tracks and answer calls
- Built-in, recessed microphone
- Lithium polymer battery provides up to seven hours of playback time (180 hours of standby time)
- 30mm, 30? drivers for crisp, clean, multidimensional sound
- Micro-USB charging cable included
- Three-Year Warranty
