

Power Cable

PC Power Cable, 1.8 m (6 ft.)

Part No.: [300179](#)

EAN-13: 0766623300179 | UPC: 766623300179

Powerful connections for computing solutions

Manhattan Power Cables easily connect and extend the reach between a power source and personal computers, monitors, printers, power adapters and other equipment. Ideal for new systems or replacement applications, Manhattan offers an assortment of universal power cables engineered and built from quality materials that meet current safety approvals to deliver and maintain reliable connections. Fully molded boots with strain relief, durable PVC jackets and heavy-duty construction help provide Manhattan Power Cables with the maximum electrical conductivity needed to transmit dependable power where and when it's needed.

Features:

- Connects most desktop computers to North American and other similar outlets
- IEC 60320 C13 socket to NEMA 5-15 plug
