The best case for success.

From Wall Street to Main Street, the Manhattan Big Apple Notebook Computer Briefcase has what it takes to carry business to the skies or on the road. Its twin front pockets secure computer accessories, cables and other equipment while an expandable rear pocket with three file folders hold and keep papers and files smooth and flat. Three pens loops and an ID/business card holder keep writing instruments and cards ready for the best first impression. The cushioned handle and adjustable, non-slip removable shoulder strap make it easy to carry and lift into overhead bins and racks.

Take Business and Computing Almost Anywhere

The large padded computer compartment with adjustable divider protects and accommodates most notebook computers with widescreens up to 17". The top-load design quickly and easily helps business travelers unload and load a notebook computer at airport security inspections. Lightweight and roomy, it makes an ideal mobile computing workspace.

Classic Style Designed to Perform

The exterior and interior are carefully constructed of lightweight, durable, easy-care materials that resist water and wear. Heavy-duty hardware including zippers with sturdy pulls ensures smooth operation with fewer snags. Manhattan Notebook Computer Cases combine superior computer protection and attractive styling with comfort and convenience when traveling across town, cross-country or around the world.
