

Universal Projector Ceiling Mount

Steel Extension Rod, Options for Tilt, Swivel and Height Adjustments, Silver
Part No.: [424868](#)

See things in a better light.

Easily put a projector in place and keep it in prime position. Manhattan Universal Projector Ceiling Mounts hold projectors stable and steady with precise tilt, 360° swivel and height adjustments that keep images clear, sharp and defined. Constructed of durable, quality steel materials, Manhattan Universal Projector Ceiling Mounts fit a range of models with a secure, confident and balanced overhead installation. The ceiling plate fits a range of ceiling slopes. Internal cable management helps conceal unsightly cords and connections for a professional, finished appearance. Ideal for home theater, auditorium, office, retail, classroom, video conferencing and other commercial applications, Manhattan Universal Projector Ceiling Mounts help focus attention where it matters most.

Features:

- Securely holds one projector up to 15 kg (33 lbs.)
- Optimize views with $\pm 180^\circ$ tilt, 360° swivel and height adjustments
- Durable steel construction with extension rod and cable management
- Easy installation ideal for home, office and commercial applications
- Lifetime Warranty
