4-Port USB 2.0 Mini Hub

Four USB-A Ports, Bus Power

Part No.: 162272

EAN-13: 0766623162272 | UPC: 766623162272

The Manhattan USB Mini Hub quickly adds four USB ports to desktop or notebook computers. Easily installed, its plug-and-play with hot-swappable capabilities make it ready to use. The compact size and flexible, built-in cable make it ideal for mobile computing use.

Expand USB Ports for Additional Peripherals

Easily and quickly adds four USB ports to desktop and notebook computers without complicated installation. The Manhattan USB Mini Hub is bus powered and requires no external power supply.

Ready to Use

Plug-and-play installation requires no special configuration or driver installation for most operating systems. Its hot-swappable capability enables the attachment and removal of USB devices without restarting the computer.

Features:

- Instantly adds four USB ports to a computer to connect more peripherals
- Compatible with all USB ports and devices — ideal notebook computer accessory
- Flexible, built-in connection cable
- Plug-and-play installation — ready to use and hot-swappable
