

## Universal Tablet Suction Cup Mount

Tablet Suction Cup Mount, fits tablets from 7-10.4

Part No.: **406017**

---

Avoid accidental bumps, scratches or worse to your expensive tablet, caused by road hazards, with the Manhattan Universal Tablet Suction Cup Mount. Quick, easy and secure installation to glass or any other smooth surface is as easy as the push of a button, and adding your iPad, Galaxy, Kindle, etc. is just as convenient with the flip of a switch. The adjustable mount overcomes annoying glare and awkward placements that can limit your viewing experience with a tilting base, and the 360° rotation allows for landscape and portrait viewing. For added convenience, use your Tablet Suction Cup Mount with a Manhattan USB Auto Charger and never run out of battery life.

### Features:

- Securely holds a tablet to a window or other smooth surfaces
- Rubber-tipped feet adjust to accommodate tablets from 7 to 10.4 inches
- Ball joint swivels 360° for easy viewing in landscape or portrait orientation
- Easy installation – suction cup works with any window or smooth surface
- High-impact plastic construction
- Lifetime Warranty

### Specifications:
