

Power Bank 10K

Portable Lithium-ion Battery, Dual USB Output, 10,000 mAh

Part No.: **411103**

Plug into power anywhere.

The Manhattan Power Bank 10K can give smartphones, tablets and other popular mobile devices a much-needed boost — even two at a time — to stay connected, enjoy music and more almost anywhere without interruption. Bright, legible LED indicators conveniently display available power levels, and the LED flashlight helps in a pinch. The small and slender housing easily fits into pockets, notebook computer cases, backpacks or an airplane carry-on to help keep a fresh supply of power ready for emergency or daily use when on the go.

Features:

- Convenient, rechargeable external backup power for mobile devices
- Provides up to 10,000 mAh of power when conventional sources are unavailable
- Dual USB ports: one up to 1A; one up to 2A
- Quickly recharges via Micro-USB through any powered USB port
- LED display for easy power management; additional LED flashlight for easy identification of dark bag corners
- High-capacity, efficient lithium-ion battery provides long, reliable service
- Ideal for smartphones, tablets and more
- Compact, portable and stylish for easy travel that easily fits in a pocket
- One Year Warranty

Specifications:

Standards and Certifications

- CE
- FCC

General

- Battery type: 5 x lithium-ion, built-in
- LED indicators: 1 LED (75%)

- LED flashlight

Power

- Input voltage: USB 5 V, 1A
- Output voltage: 1 x USB 5 V, 1A; 1 x USB 5 V, 2A
- Capacity: 10,000 mAh
 - Overcurrent protection
 - Overcharge protection
 - Short-circuit protection
- USB charging times, typical: 5 hours min. (up to 500 cycles)
- Power times, typical*: smartphone, up to 4 hours; tablet, up to 5 hours

Ports

- Standard-A USB x 2: 1 x 1A; 1 x 2A (output)
- Micro-USB x 1: 1A (input)

Physical

- Operating temperature: charge/discharge, 0 – 40°C
- Storage temperature: -10 – 60°C (recommended 20°C)
- Dimensions: 137 x 63 x 22 mm (5.4 x 2.5 x 0.9 in.)
- Weight: 270 g (9.5 oz.)

Package Contents

- Power Bank 10K
- USB charging cable (18 cm)
- Instructions
