BRINGING NETWORKS TO LIFE

Wireless G PC Card

Model
524544

Get the most from your wireless network for your notebook.

The INTELLINET NETWORK SOLUTIONS™ Wireless G PCI Card is a compact high-speed adapter that allows you to connect your notebook to wireless networks at faster speeds than before. Now you can transfer or receive digital images, videos and MP3 files faster than ever, connecting to the wireless network with link speeds of up to 54 Mbps using proven and reliable Wireless G technology. This PC card is compatible with 802.11b and 802.11g wireless access points and wireless routers, giving you the flexibility to start upgrading your wireless network without the need to replace your existing equipment.

Increased Throughput

The Wireless G PC Card supports up to 54 Mbps network link speed,* providing you with optimum throughput for your data networking applications. Whether you are downloading music, images or large text files, the Wireless G PC Card, with its WMM-enhanced (IEEE 802.11e QoS standard) multimedia support, will optimize the performance of your wireless network, allowing you to spend your time more productively.

Wireless Network Security

The Wireless G PC Card provides advanced security encryption and decryption using industry standard techniques such as 64/128-bit WEP, WPA (TKIP with IEEE 802.1x) and WPA2 (AES with IEEE 802.1X), ensuring that your data is secure as it is sent through the wireless network.

Convenient Setup

The Wireless G PC Card features an attractive and compact design that allows you to carry it with you wherever you go. And since it supports 802.11b and 802.11g, you can connect to a network at any public wireless hotspot. Whether you are home or at work, at an airport or at an Internet café, simply plug the adapter into an available PC card slot on your notebook and instantly start enjoying wireless connectivity.**

Compatible with 802.11b and 802.11g

This product is fully compatible with the IEEE 802.11b and 802.11g standards and can be used to connect to existing 802.11b/g routers and wireless access points, allowing you connect to other networks as you use your laptop outside the home or office.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all INTELLINET NETWORK SOLUTIONS products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

* Actual data throughput will vary. Network conditions and environmental factors — including volume of network traffic, building materials and construction, and network overhead — lower the actual data throughput rate.

** Environmental factors may adversely affect wireless signal range.

Model
524544

Features

- Connects your notebook computer to a wireless network
- Up to 54 Mbps network data transfer rate
- Supports WEP (64/128 bit), WPA and WPA2 data encryption
- Supports WMM (IEEE 802.11e QoS standard) prioritizing bandwidth for multi-media applications
- 32-bit Cardbus PC card
- Windows XP/Vista compatible
- Lifetime Warranty

Specifications

STANDARDS

- IEEE 802.11b (11 Mbps Wireless LAN)
- IEEE 802.11g (54 Mbps Wireless LAN)
- IEEE 802.11e (Wi-Fi Multimedia (WMM))
- IEEE 802.11i (Wireless Encryption)
- IEEE 802.1X (RADIUS Authentication)

GENERAL

- Bus type: 32-bit PCI card
- Chipset: Realtek 8185L
- Frequency band: 2.4000 – 2.4835 GHz (Industrial Scientific Medical Band)
- Security:
 - 64/128-bit WEP data encryption
 - WPA and WPA2
- Transmit power:
 - 54 Mbps OFDM, 16 dBm +/- 1 dBm
 - 11 Mbps CCK, 18 dBm +/- 1 dBm
- Certification: FCC Class B, CE Mark

LEDs

- Link/Activity

ENVIRONMENTAL

- Dimensions: 5 (H) x 116 (W) x 54 (D) mm (0.2 x 4.6 x 2.1 in.)
- Weight: 0.15 kg (0.3 lbs.)
- Operating temperature: 0 – 55°C (32 – 131°F)
- Operating humidity: 10 – 95% RH, non-condensing
- Storage temperature: 0 – 70°C (0 – 158°F)

SYSTEM REQUIREMENTS

- Notebook computer with Pentium 300 MHz-compatible processor or higher
- Windows XP/Vista
- Available 32-bit PC card slot

PACKAGE CONTENTS

- Wireless G PC Card
- Quick installation guide
- Setup CD with user manual
