

## Notebook Computer Cooling Stand

USB, 2 Hi-Speed USB Ports, 120 mm

Part No.: **190046**

---

Raise the level of mobile computing comfort.

For increased comfort and productivity, the Manhattan Notebook Computer Cooling Stand securely holds a notebook computer and places its display at a relaxed level for optimal viewing with less wrist and eye strain and less fatigue. A quiet, built-in USB-powered cooling fan with LED lighting helps keep operating temperatures of notebook computers up to 17" within safe ranges for longer life and improved computing performance. Two extra Hi-Speed USB 2.0 ports allow the connection of additional peripherals. Easy to install and lightweight, the Manhattan Notebook Computer Cooling Stand quickly folds and stores for transport and use almost anywhere.

### Features:

- Helps reduce operating temperatures for longer life and improved performance
- Quiet, high-volume lighted fan helps dissipate damaging heat
- Special ergonomic incline improves comfort and reduces repetitive strain injury risk
- USB powered with auxiliary port to connect additional peripheral
- Sturdy metal base fits under any notebook computer up to 17 in.; requires no special installation
- Fits most notebook computers up to 17"
- Three-Year Warranty

### Specifications:
