

MOUSE GRIPS REFERENCE GUIDE

MODEL 439107

Thank you for purchasing these MANHATTAN® Mouse Grips.

Made of natural rubber, these self-adhesive, non-slip pads can be applied to any mouse to enhance mouse performance — perfect for gamers and power users. Seven grips can be attached to the back, sides and buttons of any mouse to increase control.

- 7 grip pads for back, sides and buttons of nearly any mouse (6 pads shown)
- Non-slip surface enhances game performance
- Easy-to-apply, self-adhesive, natural-rubber grips
- Textured surface provides solid traction for gamers
- Lifetime Warranty

APPLICATION

- Ensure the surface where the grips are to be applied is clean and dry.
- Grips can be trimmed with scissors as needed to fit without overlap.
- Peel off the protective paper backer and carefully position where desired.
- Press down evenly to ensure a smooth and reliable application.
