

## DisplayPort Monitor Cable

DisplayPort Male / DisplayPort Male, 2 m (6.6 ft.), Black

Part No.: **391931**

---

High-definition performance for personal computing.

MANHATTAN DisplayPort Cables provide a single-cable solution that delivers both high-definition digital audio and video signals between desktop and notebook computers and an output device. With 10.8 Gbps bandwidth (1080 Mbps), DeepColor and 24-bit, eight-channel uncompressed audio capability, the 20-pin connector is small, compact and ideal for use with DisplayPort-equipped computers, flat-panel displays, slim-profile devices and many consumer electronics, including Blu-ray players and game consoles. Full foil-and-braided shielding, molded boots with strain relief, protective PVC jackets and nickel plated connections help MANHATTAN DisplayPort Cables provide maximum conductivity and clear, crisp signal transmissions with reduced EMI interference and distortion.

### Features:

- DisplayPort 20-pin male to DisplayPort 20-pin male latching connections
- Delivers high-bandwidth, digital audio/visual signals from PC to display and other DisplayPort-enabled devices — up to 1080p resolution
- Supports HDMI and DVI signal pass-through
- Fully shielded to reduce EMI and other interference sources
- Plug and Play for box-to-box applications
- Molded PVC boot
- Lifetime Warranty

### Specifications:

#### Standards and Certifications

- UL 20276
- DisplayPort v1.1

#### Connectors

- (2) DisplayPort 20-pin male with latches
- Nickel plated
- Molded PVC boot

#### Cable

- 28 AWG conductors
