

SATA Data Cable

7-Pin Male to Male with latches, 70 cm (27.5 in.), Red

Part No.: **324397**

Make a quality connection.

MANHATTAN SATA Data Cable with dual built-in security latches helps link devices to controllers with latching or non-latching ports. Latches for each connector click and lock in place to help provide reliable and assured interconnections that can reduce inefficient performance or lost data transfer. MANHATTAN helps meet the increasing demand for SATA hard-disk drive technology that's quickly becoming the primary PC storage interface. With support for the latest SATA data transfer speeds, MANHATTAN SATA Data Cables are ideal for SATA multi-user storage and other applications.

Features:

- (2) 7-Pin SATA male connectors
- Connects SATA drive to SATA controller
- Built-in security latches help provide assured interconnections
- Supports data transfer speeds up to 6.0 Gbps
- Slim design increases airflow and cooling efficiency and reduces cable clutter
- Fully shielded to reduce EMI and other interference sources
- Lifetime Warranty

Specifications:

Standards and Certifications

- UL 2725

Connectors

- (2) SATA male 7-pin
- Nickel plated connector
- Molded PVC boot

Cable

- Length: 70 cm (27.5 in.)
- 26 AWG conductors
- Shielded
- Thermal plastic casing

Package Contents

- SATA Data Cable
