

# SVGA Extension Cable

## HD15 Male to HD15 Female, Black

### Reliable connections for superior signal quality.

MANHATTAN® VGA Cables easily connect a monitor with a desktop or notebook computer. Ideal for use with video splitters, KVM switches and any HD15-equipped display, computer or device, MANHATTAN VGA Cables are engineered and constructed of quality materials to deliver dependable transmissions in video applications. Full foil shielding, molded boots with strain relief and mini-coax (RGB) and paired-video-wire construction help provide maximum conductivity and clear, crisp images with reduced EMI interference and distortion over extended distances.

Model	Length
<b>309127</b>	1.8 m (6 ft.)
<b>309134</b>	3.0 m (10 ft.)
<b>309141</b>	4.5 m (15 ft.)
<b>309158</b>	7.5 m (25 ft.)

### Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.
