

External SATA Data Cable

eSATA, I-Type, Black, 20 in. (50 cm)

Part No.: **391191**

Connects SATA 150 and SATA 300 controllers or eSATA brackets to external drives for additional data storage. mobility and transport for desktop PCs.

Features:

- Supports data transfer speeds up to 3.0 Gbps
- 2 I-type, fully-shielded male connections
- Connects SATA controllers to devices
- Lifetime Warranty

Specifications:

- Rating: Temperature, 80 C; Voltage, 30 V
- Conductor Resistance: At 20 C maximum / 26 AWG: 48.94 Ohms/km
- Impedance: Differential 100 ± 10 Ohms / Common mode 25 to 40 Ohms
- Cable pair Match Impedance: • Inter pair Skew : • Risetime:
