

SVGA Monitor Cable

HD15 Male / HD15 Male, Black

Model
324083
324120

Reliable connections for superior signal quality.

MANHATTAN® SVGA Cables easily connect a monitor with a desktop or notebook computer. Ideal for use with video splitters, KVM switches and any HD15-equipped display, computer or device, MANHATTAN SVGA Cables are engineered and constructed of quality materials to deliver dependable transmissions in video applications. Shielding, molded boots with strain relief and mini-coax (RGB) and paired video wire construction help provide maximum conductivity and clear, crisp images with reduced EMI interference and distortion over extended distances.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

Features

- HD15 male to HD15 male
