

Magnetic Car Dash Phone Mount

Adjustable, Quick Attach and Release, Non-Skid Gel Pad, Chrome

Part No.: [461511](#)

EAN-13: 0766623461511 | UPC: 766623461511

Take advantage of convenience and security while driving.

The Manhattan Magnetic Car Dash Phone Mount can be used with all phones and many other mobile devices for convenient, secure device mounting. The magnetic base mounts directly to the vehicle dashboard, and magnetic pads allow the device to be attached in portrait and landscape positions. The adjustable ball-joint allows the base to be configured in multiple viewing angles, and with a built-in non-skid pad, the device remains secure from road vibrations and unexpected bumps.

Features:

- Universal Phone Mount for use with all phone brands
- Magnetic and cradle-free design for quick attach and release that also accommodates horizontal or vertical viewing positions
- Non-skid magnetic pad to withstand high temperatures and vehicle vibrations, securing the device when vehicle is still or in motion
- High-heat-grade 3M adhesive to securely mount to any dashboard or surface; ball-joint provides flexibility for the perfect viewing angle
- Two metal pads with double-sided tape for direct mounting to phone housing or protective case
