

Declaration of Conformity — REACH

We, IC INTRACOM, manufacturer and seller of products under the brand names Manhattan Products or Intellinet Network Solutions, declare under our sole responsibility that the equipment described below complies with the requirements of the European Commission's REACH Directive.

Product: Digital Video Cable
Model No.: 301244

More specifically, the articles we produce are in full compliance with the related requirements of European Union Regulation (EC) 1907/2006, which concerns the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH):

1. Description of Articles: With the exception of REACH-compliant cleaning products for electronics, IC INTRACOM does not manufacture substances or substance preparations for use in other products. Additionally, we do not anticipate registration, pre-registration or authorization changes for the products we supply.
2. Article 33 of REACH — Duty to Communicate Information on Substances in Articles: We declare that our products contain neither the restricted substances identified by the REACH Directive nor quantities or concentration of SVHCs (Substances of Very High Concern) equal to or above 0.1% in composition.

IC INTRACOM will continue to monitor and evaluate major REACH regulation updates and revise these statements to reflect the changes.
