

19" 42U Single Frame Open Rack

19" Open Rack, Single Frame, 42U, Depth 600 mm, Black

Part No.: **674201**

Intellinet Network Solutions Open Racks are perfect for those situations where quick access to the equipment is of prime importance. They're designed to house 19-inch standard mounting devices, and, generally, are used in an air-conditioned environment with minimum dust and are protected against unauthorized access. Intellinet Network Solutions Open Racks offer a highly cost-effective and assembly-friendly solution for numerous applications in the field of network technology and electronics. Because of its modular design, it is easy to assemble and dismantled.

Features:

- Designed to house 19" standard mounting devices
- 300 kg suitably distributed load capacity
- 2 mm steel bearing structure
- Uprights are punched in full-length with square holes
- Leveling feet set included
- Easy to assemble and dismantle
