

# Advanced Multimedia Keyboard

**USB, Scissor Keys, 12 Multimedia Hotkeys**

**Model**  
177511

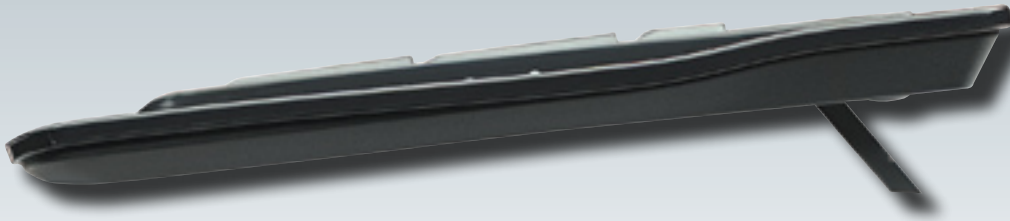

**Scissor key mechanisms add high performance to high style.**

The MANHATTAN® Advanced Multimedia Keyboard combines dramatic styling with advanced key switch technology to provide an exceptional typing experience. Scissor keys, like those found on notebook computers, provide shorter keycap travel, quiet operation and solid, crisp response that help improve typing speed. Its 12 hotkeys offer quick, one-touch access to frequent multimedia, Windows and Internet functions. Ergonomic design, thin profile, full-size keys with numeric keypad and an adjustable, two-level tilt mechanism offer comfortable typing positions and a modern appearance.

## **Lifetime Warranty**

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

**Model**  
177511
