### Quality connections for superior performance

Equipped with "Made for iPod," "Made for iPhone," and "Made for iPad" logos, the MFi-certified Charge & Sync Lightning<sup>®</sup> Cable from Manhattan perfectly connects your iPhone<sup>®</sup>, iPod<sup>®</sup> or iPad<sup>®</sup> to a USB-equipped computer, charger, hub, dock or other compatible device. With its special 8-pin plug, this cable gives you the best connection to charge and sync your Lightning-connector device quickly and safely, whether you are home, at work, or on the road. MFi-certification ensures that this cable will stay compatible with your iOS device after you've updated it, so you're always guaranteed a superior-quality connection. A durable, flexible PVC jacket and molded boots with strain relief help ensure reliable service and steady connections almost anywhere.
