

## 4-Port USB 3.2 Gen 1 Hub With Power Adapter

Four USB-A ports, 1 m (3 ft.) USB-A Male to Micro-B Male Cable, 5 Gbps Transfer Speeds, Bus / AC Powered with Included 5 V / 2 A AC Adapter, Black

Part No.: [164955](#)

EAN-13: 0766623164955 | UPC: 766623164955

---

### More connections and power for your USB-A devices

The Manhattan 4-Port USB 3.2 Gen 1 Hub turns one of your device's USB-A ports into four so you can easily connect a keyboard, mouse, thumb drive and more. The hub's SuperSpeed ports are backward compatible so you can bridge older peripherals to your device. Devices that fit the SuperSpeed USB 3.2 Gen 1 (USB 3.0) spec enjoy transfer speeds up to 5 Gbps for external storage, printing and more. The hub supplies power up to 5 V / 1 A, so you can charge your smartphone or tablet. If more power is needed, the included power adapter can supply up to 5 V / 2 A of power to the hub.

### Portable Connectivity

This hub's durable case and compact size mean greater portability for you when it's time to be on the move. Simply unplug the hub from your upstream device, disconnect your peripherals and the power cable (if connected), and put the devices you need in your laptop bag. Its Plug-and-Play installation and hot-swap ability means you can be set up to work — or play — in no time.

### Features:

- Adds four SuperSpeed (USB 3.2 Gen 1) USB-A ports to your device for better access to your peripherals such as a keyboard, mouse, flash drive, smartphone, tablet and more
- Supports SuperSpeed data transmission up to 5 Gbps
- Includes a 1 m (3 ft.) USB 3.2 Gen 1 (USB 3.0) USB-A to Micro-B cable, which can be replaced by different-length cables to suit your specific need
- Includes a 1 m (3 ft.) USB 3.2 Gen 1 (USB 3.0) USB-A to Micro-B cable

- Offers power options by bus or with the included 5 V / 2 A AC power adapter
- Includes an LED power indicator
- Plug-and-Play installation; hot swappable
- Windows and Mac compatible
- Three-year warranty

## Specifications:

### Standards and Certifications

- USB 3.2 Gen 1 (USB 3.0)
- FCC
- CE
- RoHS
- WEEE

### General

- Data transfer speeds: 5 Gbps
- One USB Micro-B female
- Four USB-A female
- Up to 2 A total power output

### Connections

- One USB-A, 4-pin, male
- Four USB-A, 4-pin, female

### Physical

- 24-AWG cable gauge
- Cable Length: 1 m (3 ft.)
- Withstanding voltage: 300 VDC
- Insulation resistance: 10 MOhm
- Conductive resistance: 5 Ohm
- Housing: ABS plastic
- Dimensions: 90 x 45 x 15 mm (3.54 x 1.77 x 0.6 in.)
- Weight: 30 g (1.1 oz.)
- Shielded

### Operating Environment

- Operation Temperature: 0 – 40°C (32 – 104°F)
- Storage Temperature: -20 – 60°C (-4 – 140°F)
- Humidity (noncondensing): 5 – 90%

### System Requirements

- Windows XP/Vista/7/8.1/10 or Linux or Mac 9.x/10.x or above

### Package Contents

- 4-Port USB 3.2 Gen 1 Hub With Power Adapter
- 5 V / 2 A AC Power Adapter

- 1 m (3 ft.) SuperSpeed USB-A to Micro-B cable
- Quick Instruction Guide
