

# Mobile Speaker System

**High-performance audio for MP3 players, mobile phones and more**

**Small but delivers impressive sound almost anytime and anywhere.**

Maximize mobile audio experiences with the MANHATTAN® Mobile Speaker System. It's small but delivers impressive, full-range sound from iPods, iPhones, notebook computers, MP3 and portable CD/DVD players, hand-held games and other mobile media devices. A unique, retractable resonator easily extends to further deepen and expand bass response and improve audio performance. Its special connector directly fits iPods and iPhones without cables, adapters or docks to easily share music and other audio or when headphones aren't desired. The built-in rechargeable lithium battery also provides connected media devices with backup power for hours of additional use and enjoyment. Compact and lightweight, it stores in a pocket, purse or notebook computer case and quickly installs without special drivers or an external power supply to enjoy favorite sounds almost any place.

## Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.
