Sensible design with uncompromised computer protection.

The MANHATTAN London Notebook Computer Briefcase is a practical solution with streamlined, traditional styling that easily travels and fits almost anywhere – under airline seats, into overhead bins and into larger luggage pieces. A single, wide deep front pocket keeps vital items, papers and accessories safe but within quick reach. Its secured flap with closure protects stowed contents. Dual strap handles with reinforced stitching and an adjustable, removable shoulder strap give mobile professionals multi-purpose carrying options.

Basic and Functional Storage

Its interior with padded computer compartment accommodates most notebook computers with screens up to 15.6". The top-load configuration enables quick packing and speedy airport inspections. There's enough room in the large, scratch-free interior to keep files, papers and magazines smooth and flat.

Beautifully Designed to Perform
