Ergonomic Laptop Sit-Stand Desk — Improve Your Work Life

Improve your posture and work better while sitting or standing with the Manhattan Ergonomic Laptop Sit-Stand Desk. This sit-stand desk supports your portable device and helps you find the right viewing angle with adjustable tilt up to 73 degrees.

This workstation also helps you reach expert-recommended activity goals. With current guidelines suggesting that you should be on your feet for more than half the day or walking around whenever possible, this desk will help you get moving. It's simple to raise or lower the desk, which makes it easy to get or stay active. With more movement, you'll notice a decrease in back pain, improved focus and more energy throughout the day. Your work-life just got better with the Manhattan Ergonomic Laptop Sit-Stand Desk.
