Universal Multimedia TV Stand — Making Better Views Without Drilling a Hole in Your Wall

Overcome odd floor plans, annoying glare and awkward furniture placements that can diminish flat-panel TV experiences. The Manhattan Universal Multimedia TV Stand helps you achieve optimal viewing angles from almost anywhere in the room. VESA-compliant and constructed of quality materials, this mount can fit a range of display sizes for a secure and confident above-the-floor installation.

Ideal for residential, office, hospitality, classroom and conference room, digital signage and other commercial applications, this mount brings high-performance enjoyment of your LCD or plasma TV front and center.
