

Cat8 High-Performance Network Cable

S/FTP, 24 AWG, LSZH, 1 m, Gray

Part No.: 742023

EAN-13: 0766623742023 | UPC: 766623742023

The Intellinet Network Solutions Cat8 High-Performance Network Cable is the perfect choice for a high-bandwidth, short-cable run. Suitable for use in 40-Gigabit networks, the cable offers a secure, reliable connection in linking compatible pieces of equipment that are located nearby each other. The cable is comprised of 100% stranded copper to foster flexible, superior communication, and each pair is wrapped in aluminum-foil screening to protect against interference; the cable is then wrapped in aluminum braiding to further preserve signal integrity. The Intellinet Network Solutions Cat8 High-Performance Network Cable meets TIA/EIA and ISO standards.

Features:

- Cat8 2000 MHz cable
- S/FTP & AWG 24
- 50-micron gold-plated RJ45 plug contacts
- LSZH jacket
- Compatible with T568A and T568B wiring
- Lifetime warranty
