EAN-13: 0766623390606 | UPC: 766623390606

4-in-1 Charge & Sync USB-C Cable that quadruples how you can connect in one simple solution

This Manhattan 4-in-1 Charge & Sync Cable is a smart connectivity solution that offers all the common connections you need to charge and sync nearly any current portable electronic device. Featuring two USB-C connectors and attached USB-A and Micro-USB adapters, this versatile cable solves the problem of having to keep multiple cable types on hand in order to keep your tech up and running. With nestable connections, almost any mobile phone, digital camera, portable gaming system or other mobile devices will be perfectly adapted to your current power or data sources. Its braided-fabric jacket makes this cable virtually tangle-free and extremely durable. Ideal for travel and mobile purposes or as a replacement cable, it is the perfect companion to computers and wall or car chargers, so your device stays powered up and ready to go when you are.

Features:

- Offers four different connectivity options with USB-A, Micro-USB and two USB-C plugs on one handy cable
- Supports transfer speeds up to 480 Mbps
- Power throughput up to 3 A / 60 W
- Supports Power Delivery (PD) and Quick Charge (QC)
- Braided, tangle-resistant cable design
- High-quality aluminum boot
- Corrosion-resistant contacts

- Allows file transfer and data syncing when plugged into your computer
- Lifetime warranty
