

VGA Extension Cable

HD15 Male / HD15 Female, 1.8 m (6 ft.), White

Part No.: [300025](#)

EAN-13: 0766623300025 | UPC: 766623300025

Reliable connections for superior signal quality
MANHATTAN VGA Cables easily connect a monitor with a desktop or notebook computer. Ideal for use with video splitters, KVM switches and any HD15-equipped display, computer or device, MANHATTAN VGA Cables are engineered and constructed of quality materials to deliver dependable transmissions in video applications. Full foil and braided shielding, molded boots with strain relief and mini-coax (RGB) and paired video wire construction help provide maximum conductivity and clear, crisp images with reduced EMI interference and distortion over extended distances.

Features:

- HD15 male to HD15 female
- Extends any monitor cable
- Fully shielded to reduce EMI and other interference sources
- Molded PVC boot with strain relief
