

Deluxe Stereo Headset

Flexible Metal Boom Microphone with In-Line Volume Control

Part No.: [177931](#)

EAN-13: 0766623177931 | UPC: 766623177931

Modern styling delivers exceptional sound performance. The elliptical ear cups of the MANHATTAN Deluxe Stereo Headset feature well-padded cushions to help buffer unpleasant sounds from the ear and enhance bass response. The split outer headband and padded inner headband provide a comfortable fit for almost any listener. An in-line rotary control provides fingertip convenience for quick volume adjustments. Its flexible boom microphone is ideal for instant messaging, VoIP communications and multimedia activities.

Features:

- Comfortable padded earphones
- Self-adjusting padded inner headband adapts to individual head size
- Flexible stainless steel microphone boom for hands-free communication
- Padded microphone eliminates pop noise
- Super bass system with exceptionally loud volume and adjustable in-line volume control
- Lifetime Warranty

Specifications:

Standards and Certifications
