The Low-Profile TV Tilting Wall Mount - a mount for flush-as-possible TV installations

When viewing locations and TV heights are fixed at optimal positions, the Manhattan Low-Profile TV Tilting Wall Mount creates a nearly flush, close-to-the-wall installation that enhances the thin, modern TV silhouette. This mount extends only 21 mm (0.83 in.) from the wall. Constructed of high-quality, powder-coated steel, this ultra-slim TV mount fits flat LCD, LED or plasma TVs up to 70" and weighing up to 35 kg (77 lbs.). It offers VESA compliance up to 600x400. Intuitive snap-in brackets let you easily put the TV in place for a confident above-the-floor installation. It's ideal for residential, office, hospitality, classroom, conference room, digital signage and other commercial applications.
