EAN-13: 0766623461924 | UPC: 766623461924

The Universal Projector Full-Motion Ceiling Mount to see things in a better light

Easily put a projector in place and keep it in prime position. The Manhattan Universal Projector Ceiling Mount holds a projector stable and steady with precise tilt, 90° swivel and height adjustments that keep images clear, sharp and defined. Constructed of durable steel materials, this mount fits a range of models with a secure, confident and balanced overhead installation. The ceiling plate fits a range of ceiling slopes. Internal cable management helps conceal unsightly cords and connections for a professional, finished appearance. Ideal for home theater, auditorium, office, retail, classroom, video conferencing and other commercial applications, Manhattan Universal Projector Full-Motion Ceiling Mount helps focus attention where it matters most.

Features:

- Securely holds one projector up to 10 kg (22 lbs.)
- Steel extension rod: 76.5 – 124 cm (30.1 – 48.8 in.)
- Optimizes views with +/- 30° tilt, 90° swivel and height adjustments
- Durable steel construction with extension rod and cable management
- Easy installation ideal for home, office and commercial applications
- Lifetime warranty
